ABOUT US

We are a firm of Chartered Accountants, Auditors and Consultants based in Dubai, India and Singapore, with over 20 years of international experience in the field of Audit and Assurance Services, ASP Auditing provides a full range of auditing and Accounting services and management consulting that you would expect from an international auditing organization consistent with Local, Professional or Legalized practices. We follow International Standards in Auditing and Accounting based on International Financial Reporting Standards.

We have expertise in the field of International taxation, Direct and Indirect Taxes (viz., Value Added Tax (VAT), GST, Central Excise, Customs and Service Tax). Our Clientele have been benefitted by our timely and relevant guidance in the field of implementation and compliance of taxes, and has resulted in effective tax planning for their businesses.

We have international affiliation with ASP International, United Kingdom. We connect with accounting, financing and corporate bodies worldwide. We are Offshore Registered Agents for RAKICC and JAFZA Free zones. We do offshore company incorporations in Jebel Ali, Ras Al Khaimah, Mauritius, Seychelles, Singapore, Hong Kong, British Virgin Islands, Cyprus etc., We have Associate firms in India as well as International affiliations in countries like Hong Kong and Singapore.

Dr. A.S. Elavarasan Soundarajan (Prince) F.C.A, is a Fellow Member of Institute of Chartered Accountants of India with more than twenty years' post qualification experience in the field of Auditing, Accounting, Assurance and International Taxation.

Having previously held leadership positions at various multinational companies in India and UAE for over a decade, he has gained expertise in managing and developing global organisations, with proven skills in building international relationships, consolidating membership in key business locations, and creating an expanding range of practical benefits and service offerings.

As the Founder Chairman, he has been instrumental in establishing and developing ASP Auditing on a global scale, including maximising Client Support and Service benefits, focusing on strengthening the Firm, at the same time as maintaining its high reputation of quality.

In facilitating cross-border cooperation, He has established ASP International Limited, UK an International firm with member firms in Singapore, Hong Kong, India and North Africa. ASP International Limited continues to expand its professional network by enlisting additional quality firms throughout the world enabling mutual knowledge sharing and global co-operation among member firms.

He has been at the forefront to encourage the generation of new business opportunities for member firms, assisting the network to increase commerce for members and their clients.

His expertise in the field of audit of Developers Books and Owners Associations in accordance Real Estate Regulatory Agency Rules and Regulations in UAE has benefitted his clientele in UAE.

He is well known among the UAE professional fraternity and holds membership in various Professional and Social Associations in UAE and Abroad.

DR. A. S. ELAVARASAN (PRINCE) F. C. A
